

CITY OF CLERMONT WEST PARK

Lake County, Florida

ENVIRONMENTAL
PLANNING
DESIGN &
PERMITTING

Project: Public Contract

Project overview:

Modica & Associates is providing supporting services to the City of Clermont for the expansion and re-development of their West Park recreational facilities. There is an active osprey nest located on a utility pole near one of the existing ball fields. Re-development of the park requires relocation of this nest. Our team is currently coordinating with FWC to obtain the necessary permits to authorize the relocation of the osprey nest.

Field Work & Surveys

- Wetland Delineation
- Osprey Nest Monitoring

GIS/Mapping Services

- Vegetation & Soils Mapping—GIS
- Wildlife Mapping—GPS/GIS
